**Who I am:** Use this section to write up a detailed description of who you aim to be in life. Be sure to list all the qualities that you wish to have (the more descriptive, the better your results will be. Include details related to how you want to be seen, how you aim to perform as a human, colleague, boss etc., and, exactly what kind of person you want to become, **now**, and in the future. ## DAILY QUOTES TO REVIEW

(Some really great quotes that I reviewed to inspire me on a daily basis, and that help me remember why I set my goals the way I did in the first place. Feel free to discard, or not print along with goals.)

*"It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood, who strives valiantly; who errs and comes short again and again; because there is not effort without error and shortcomings; but who does actually strive to do the deed; who knows the great enthusiasm, the great devotion, who spends himself in a worthy cause, who at the best knows in the end the triumph of high achievement and who at the worst, if he fails, at least he fails while daring greatly. So that his place shall never be with those cold and timid souls who know neither victory nor defeat."* - **Theodore Roosevelt**

*"He who is firm in will molds the world to himself."* – **Johan Wolfgang Von Goethe**

*"Where I excel, is ridiculous, sickening, work-ethic!..."* - **Will Smith**

*"The harder I work, the luckier I get"* - **Napolean Hill**

*"The heights by great men reached and kept were not attained by sudden flight, but they while their companions slept, were toiling upward in the night."* - **Henry Wadsworth Longfellow**

*"Only the hard and strong may call themselves Spartans, only the hard, only the strong"* – **300**

*"The best revenge is massive success."* - **Frank Sinatra**

*"If you set your goals ridiculously high and it's a failure, you will fail above everyone else's success."* - **James Cameron**

*"Try not to become a person of success, but rather try to become a person of value."* - **Einstein**

*"The successful warrior is the average man, with laser-like focus."* - **Bruce Lee**

*"You may have to fight a battle more than once to win it."* - **Margaret Thatcher**

### **Favorite Movie Quote from Troy:**

**Messenger Boy** (to Achilles): *The Thessalonian you're fighting, he's the biggest man I've ever seen. I wouldn't want to fight him.*

**Achilles** (to Messenger Boy): *That is why no one will remember your name.*

# THE STRIVE.co

Hi my friend,

I hope you found this goal setting template helpful, and I truly feel that if you complete it with openness, and seriousness, it will help guide you towards your goals. If you found value in this resource, please feel free to share with your friends.

I congratulate you for sticking with this goal designing template till the end. I am confident that if you continue to use your completed goals, you will have the heightened clarity, purpose, and drive behind all you do, that achieving your goals will be x100 more likely. With that being said, I'd like to leave you with one final quote to ponder as you go forward to live your greatness... It's from one of my favorite authors...Ralph Waldo Emerson.

*“Be not the slave of your own past. Plunge into the sublime seas, dive deep and swim far, so you shall come back with self-respect, with new power, with an advanced experience that shall explain and overlook the old.” - Ralph Waldo Emerson*

Till we meet again...stay the path, keep believing in your greatness, and never stop striving.

With great respect,

**Nate Lee Morales**
