THE STRIVE: FIND YOUR LIGHT GUIDE

Introduction

Before any individual can truly tap their potential, and unleash their greatness as a human, they need to be aligned with what it is they really feel they are called or are meant to do. Therefore, the purpose of this guide is it to help you figure this out, to help you find your light so-to-speak, so you can pin point, with accuracy, what exactly you should be doing with your life. Because when you truly know your “why”, your ability to unleash your gifts and your STRENGTH into the world will that much be more impactful.

The guide consists of the 32 best purpose finding, life defining questions I’ve answered during my own pursuit of living my life to it’s fullest. It is suggested that you give yourself ample time to answer all of the questions. The more serious thought you give to your questions, the more refined and powerful your results will be.

Questionnaire Objectives:

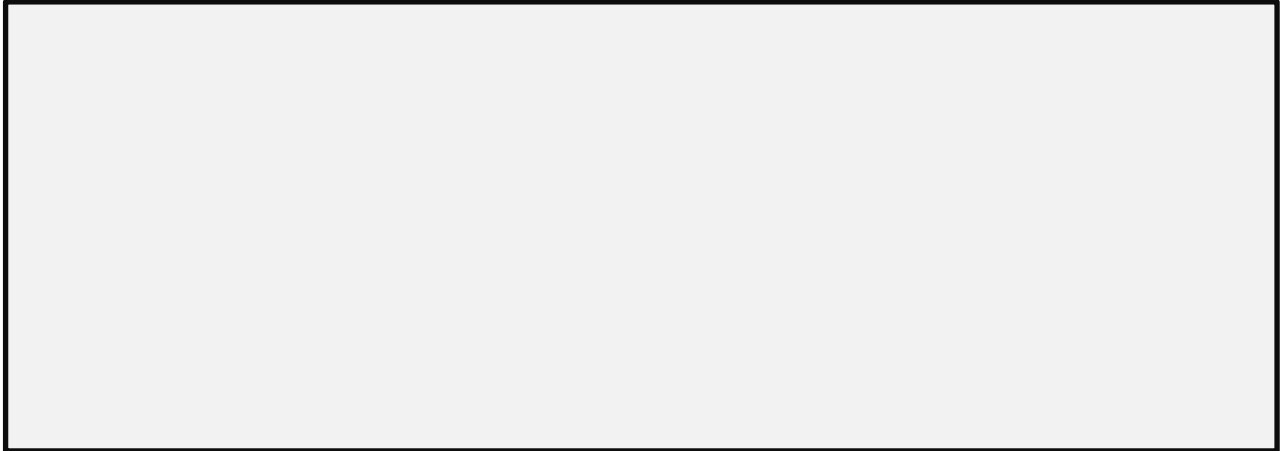

Before you can kickstart your greatness, you have to discover it first. As such, it is necessary to know exactly what it is you truly want to do with your life and how you aim to contribute to the world. This guide is designed to help you develop an awareness and sense of ownership for the direction of your life. Your answers to the questions will be your starting point for getting aligned with your better future.
